

Dormouse Nest Box

Made by The Woodland Range - Handcrafted

Made from English timber, sourced and processed sustainably by our team in Dorset.

- A sliding removable lid that is fixed by a wire latch.
- Made from 20 mm Western Red Cedar timber – Sourced by our sawmill from locally grown timber.
- Joints glued and pinned using stainless steel fixings.
- 28 mm access hole with an angled at 30° outwards to reduce water ingress.

Our boxes are great value at £20 (inc vat) each.

We can offer a discount for orders of 20 or more.
